● Standard

 4 = Number of standard registered and authorized seats in accordance with standard weight.

(6) = Maximum number of seats. Depending on the model, only feasible by changing chassis and/or other safety equipment.

The maximum authorized weight as well as the axle loads may not be surpassed.

This regulation also applies to safety seatbelts (3-point inertia safety seatbelts) in the entire vehicle.

Standard specification

Chassis/base vehicle

- Overcab Coachbuilt: Ford Transit with original frame, rear-wheel drive, double twin tyres, standard with 2.4 TDCI with 85 kW/115 BHP
- Low profile: Ford Transit platform chassis with front-wheel drive, standard 2.2 TDCI with 81 kW/110 BHP
- Cruise control
- ABS, disc brakes, electronic differential brake, traction control and blown air heating, revolution counter, power steering, headlights height adjustable, antitheft device, 3-point inertia safety seatbelt system
- Chassis extensions galvanised
- Colour co-ordinated cab seats same as living area

Construction

- Wall thickness 34 mm, floor thickness 42 mm
- Interior height: 195 cm
- Exterior side-walls in hammered aluminium
- Opening insulated windows with blinds and fly screen
- Luxury rear skirt incorporating clear glass light clusters
- Roof light in frosted Plexiglas with fly screen
- Numerous storage compartments
- Overcab luton with window on the right hand side (coachbuilt)
- Safety net for Luton and for bunk bed (coachbuilt)
- Flyscreen door

On-board technology/installations

- Powerful Gel leisure battery
- Multi-functional on-board control panel
- High-performance, low-noise Trumatic C 600z heater with integrated 12-l boiler
- Water tank incl. boiler: 127 l
- Waste water tank: 86l or 110l
- Submerged water pump
- Gas locker for up to 2 x 11kg bottles
- Warm water system with mixer tap
- Starter and leisure battery with automatic switchover also for fridge
- Electric charger for both starter and leisure battery 12-v / 17 A

On-board technology (continued)

- Emergency breakdown kit
- All service pipes are installed in insulated area
- CEE 230V exterior socket with safety device
- Central lighting in entrance area
- Electric Omnistep
- Awning light

Kitchen

- Fridge with freezer compartment
- Work surface with flush-fitting sink and 3-burner hob with glass lid and integrated flame protection, centrally located gas valves
- Warm water system with mixer tap
- 230-v socket
- Cutlery drawer on smooth steel runners
- Waste bin

Bathroom

- Bathroom in white plastic
- Swivel cassette toilet with electronic flush
- Shower with shower curtain
- Flush-fitting halogen spotlights
- Height-adjustable shower head
- Mirror cabinet

Living area

- Numerous storage compartments and shelves
- Ventilated storage compartments and cabinets
- Lift-up Luton bed with wooden slaths
- Furniture finished in maple-cherrywood combination
- Work surface in sand stone optic

Soft furnishings

- Choice between Nepal and Denver
