The Technical Information Sunlight Motorcaravans 08/07 is valid from 15.08.2007. The sizes and weights are approximate values. The mass in running order applies for a standard model without any optional extras. Please note: The price of Sunlight products in various European countries will differ. This is due to differing levels of specification in the individual countries and varying rates of VAT and luxury tax. Sunlight reserve the right to alter technical and material specifications and standard equipment at any time as material and conditions demand. Subject to change, errors excepted.
