Chassis/ Base vehicle

- Fiat Ducato X/250 with Common-Rail-Turbo diesel technique, Multijet, original chassis with standard gauge, front wheel drive, 2.2 lJTD with 74 kW/100 BHP
- Fiat low platform chassis with broad gauge chassis (T 64)
- Driver airbag
- ABS, ASR, EBD, rear and front axle stabiliser, disc wheel brakes, electronic differential brake, revolution counter, power steering, height-adjustable headlamps, anti theft device, 3-point inertia seat belt
- Circulating air heating
- Chassis members painted
- Cab central locking system
- Electrical window lift
- Break-down kit
- Colour co-ordinated cab seats with two arm rests

Bodywork exterior

- Floor thickness 41 mm incl. 30 mm foam polystyrene
- Roof and wall thickness 34 mm
- Roof and side walls in sandwich construction
- Smooth aluminium sides walls in white
- Opening windows tinted with blind and flyscreen (not for bathroom)
- Skylights with flyscreen
- High Overcab shape with O/S window
- Security net for luton bed and bunk beds
- One-piece entrance door with flyscreen
- Drop chassis extension
- Rear garage/ storage compartment
- Electrical entrance step
- Awning light

Installations

- Heated Overcab area
- Gas locker for 2 x 11 kg bottles
- Trumatic C 6 heating with integrated boiler
- Warm water supply with one-handle mixing battery
- Powerful leisure battery 95 Ah
- Starter and leisure battery with automatic switch over (also for fridge)
- Electrical charger for both starter and leisure battery 12 V/18 A
- CEE 230 V external socket with safety device
- On-board-control panel for all important functions
- Central lighting in entrance area
- Childproof lights for bunk bed area (A 68, A 69)

e.g. 4 (6**)

4 = Standard number of belted seats according to standard weight/ homologation.
 (6**) = maximum number of belted seats. Depending on the different layouts this max. number may only be reached by a chassis upgrade and/ or by fitting further safety features (option).

The maximum authorised weight and the axle load must not be exceeded.

Kitchen

- Flush fitting 3-burner-hob, sink and drainer in stainless steel with split cover. Gas valves easily accessible
- Cutting board which is also sink cover
- Fridge with freezer compartment
- Cutlery drawer on smooth steel runners
- Kitchen illuminated plinth
- Waste bin
- Kitchen block with spacious drawers (for T 64, T 65, T 66, T 69)

Bathroom

- Bathroom in wood optic or plastic white/silver (depending on layout)
- Cassette toilet with electrical pump and swivelling seat
- Shower with shower curtain or separated shower room with door (depending on layout)
- Height-adjustable shower head
- Mirror cabinet
- Roof light with flyscreen (depending on layout)
- Flush-fitting Halogen spotlights
- Robust handle for bathroom door

Living area

- Cold foam mattresses with wooden laths for all fixed beds
- Foam mattresses with wooden laths for overcab and bunk beds
- Lift-up luton with bed laths, 72 cm headroom (Overcab models)
- Extendable table (Low Profile models)
- Vented overhead lockers and bench lockers
- Wooden edging
- Montreux Pear wood
- Working surface in granite optic with silver edging
- PVC flooring in parquet optic
- Implements bag for Overcab area

Soft furnishing

- Almeria or Torino

That added comfort comes standard

- Driver airbag, ABS and ASR
- Colour co-ordinated cab seats
- Rear garage/ storage compartment with illumination (depending on layout)
- Lift-up luton, heated (laying area 210 x 160 cm)
- Flyscreen door
- Electrical entrance step
- Illuminated kitchen plinth
- Cold foam mattress with wooden bed laths
- High payload
- High-quality hinges

* provided annual inspections are undertaken by a Sunlight approved service centre

Fiat Chassis Package (28 kg)

- › Cab air conditioning manual
- › Passenger airbag
- › Electrical and heated mirrors
- › Speed control
- › Radio pre-wiring with loud speakers
- › Fiat mirror aerial

General information

The mass in running order according to norms 97/27 EG and EN 1645-2 includes the empty vehicle weight, the driver's weight calculated at 75 kg, a 90% fuel capacity as well as the following basic equipment: a reduced water tank capacity (60 kg), filled gas bottle (25 kg) and a cable reel (4 kg). The term "Maximum Authorised Weight" must not be exceeded when optional extras and personal items are taken into account.

The sizes and weight are approximate values. The mass in running order applies for a standard model without any optional extras. The payload value will reduce when optional extras are fitted.
